“ *Abraham Denmark was a kind and gentle man. His personality made everyone smile with love and respect. I have so many great memories of Ham, but the weeks of Hurricane Hugo stand out as how much I respected him. His tireless hours at work were followed by as many hours helping neighbors. When I visited him at his home I saw the damage his family had experienced at their family residence. As as a Godly Man, his thoughts and actions were always helping his fellow man. May God Bless Abraham Denmark and preserve him as one of his angels.*
