“ To the Richardson family please accept my heartfelt condolences on the passing of Abe. September 9, 1974 is an unforgettably remarkable date in my life. It was the day I first met Abe as well as the day we were sworn in together as deputies for Berkeley County Sheriff’s Office. Thus, we commenced a lifelong genuine friendship. As we worked, hunted, fished and shrimped together, I quickly acknowledged his love of God, his family and his community. He earned the respect and admiration from countless people. I will forever cherish the many memories I have of my great friend, Abraham Richardson.
