Patty, you had an amazing father. Ever since I was small, never heard him raise his voice but always carried a smile with him whenever I was in his presence. I know you will miss him but the memories he left behind are priceless.

“ Condolences to the immediate family.
I share your loss, since as a youngster, Al was like a big brother to me.
It is our responsibility in this life to be a beacon for others to see and follow good.
Al fulfilled that and more. He is missed.
