“ *My sincerest condolences to the Luke and Brooks family. Sis Luke was my childhood First Lady, I only have fond memories of her from childhood. She was kind nurturing and a woman who I deeply respected. I pray for her love ones whom she has left behind. May the Lord keep you encouraged during this time of bereavement.*

“ To one of the coolest moms I ever met. She has always been nice and welcoming to me. I'm glad I gave her a big hug last time I saw her. She has this light in her eyes that made you happy every time you interacted with her.

She is now working hard for God on the other side. Until we meet again Ms. Angela

I just learned of Mrs. Luke’s passing. I met Mrs. Luke when she joined the Charleston Housing Authority as a Programs Specialist. She was always pleasant and kind and a community oriented and focused person. She was dedicated to her residents and regularly went above and beyond to assist them. When she left I expressed to her how much she motivated me to serve others like she did. To Pastor Luke and the family thank you for sharing her with us. She will never be forgotten.
