Ms. Angela was a loving and kind person. We helped us out down in the girl's locker room for about 10 years. I would always walk in on her singing. Even with all the medical issues she had- she never complained about anything. She loved her children, grandchildren, and family. She will be missed.

“ I texted Angie on the 18th to wish her a happy birthday, and tell her a loved her. I'm so happy we connected before her passing. She was like a true big sister to me when we were growing up. I will miss her.

“ *Angie was more than a cousin to me and my brother; she was our sister. So many memories of growing up together. She was our connection to our mother's home in Awendaw. I am missing her dearly. We just spoke a few days before her passing, and I'm so grateful for that. We even joked around, and she laughed and giggled. Touched my heart. Peace and comfort to my family.*
