“ *Loretta, I will always remember when I spent all night baking 4 cakes to have mamma toss them in the trash. I came to your house to tell you, Nigel and Ms. Ann, Loretta you and Nigel had a good laugh, but Ms. Ann was trying to comfort me she was there for me when I needed meals when Mamma was in the hospital, she was our crab cooker, our Thanksgiving cooker. All of that is now gone we are on our own. Missing her already, we have to keep leaning on the Lord.*
