“ *May God provide you enough strength to face these difficult times, although no words can really help to ease the loss you bear, just know that you are very close in every thought and prayer. We, the Class of 1975 want you to know that we have lost one of the GREAT educators of all time at St. Johns High. She was an inspiration to us and our siblings, May GOD continue to heal you through these times. May GOD bless the Deas and Singleton Families*
