“ To the family of Rev Steed. I share your grief and send my sympathy. Rev Steed guided me and supported me through my calling to the ministry. I remember going to visit her one day after struggling with my calling to ministry over 23 years ago. She met me at the door and said, "I was waiting for you, what took you so long ?" We spent the next hour in her living room praising God and praying. Rev Steed was a trailblazer for Women in ministry and I will always remember how she touched my life. Rest in peace mother, the battles been fought and the victories been won, now enter into eternal joy. Due to illness I will not be able to attend services but you are all in my prayers.

At 10yrs old I received the Holy Ghost when Evangelist Steed was running a two weeks revival at my uncle's mission. I step up on the school bus one morning excited that Evangelist Steed was our driver and the fact that she running the revival. I said to her, "Mrs. Annalee I am going to get the Holy Ghost tonight" she replied. "You are going to receive it tonight. All day at school I prayed and called on the name of Jesus with the excitement of knowing I was going to be full with the Holy Ghost. She preached her heart out. The mission was full with the spirit and people praising the Lord. She then called us to the alter and we begin tp tarry for the Holy Ghost. I remember she said in one ear call him son and my mother Minister susan Sanders in the other saying the same thing. The next thing I knew the Holy Ghost got a hold of me. I started speaking in tongues and could not control myself. That night changed my life forever. We smiled and praised Lord on the school bus next day. The sprit was still upon me. I thank God for such a phenomenal minister. "May the work you have done speak for you." Thank you family for sharing her with us. My prays are with you.
