*To Freddie and family:
We extend our deepest sympathy to you and your family in the loss of your mother. Know that there are no words that anyone can express at this time to ease the grief that you all feel. But find solace in knowing that there is one who can heal, and shares all our sorrows. If you just trust and believe, and lean upon His shoulders, he is able to carry you through, and will never leave nor forsake you. God's blessings upon you and the family.

Her is the final

To family, friends and loved ones.

I am saddened by the death of my dear aunt “Sister Annie” as I knew her. Some of you know that she treated me as a daughter all of my life. Just knowing that I can’t call or see her leaves a tremendous void. I shall never forget her. To my cousins, she left us all with words of wisdom to guide us, especially those she recently shared with each of you and with my sister Carolyn “take care of each other”. And her most recent words to me, “Margaret, I am going home”.

She is now resting. Peace.
