“ I Am Free

*Do not cry for me  
Do not mourn at my grave  
For I am free  
I am following the golden path God has laid for me...*

*Perhaps to you my time seemed too short or too brief  
But please understand, I had to be set free  
Because I could not bear to suffer another day...*

*Oh! How I searched Heavens corridors trying to find relief  
By the sea how I stirred the darkest waves  
How I searched the depths of my soul, trying to figure out  
God's plan...*

*Then when I heard that auburn sound  
That knock upon my door  
With a soft whisper, Come in I said  
When the Angel of the Lord stepped into the room  
I welcomed him with a warm embrace...*

*As the Angel of the Lord approached the foot of my bed  
I began to resight the Lord's Prayer  
Then I listened very attentively as the Angel began to speak  
I am here to set you free he said  
Then I let out a long sigh of relief  
I am ready to be set free, I said  
Because for my to be with Christ, for me to die will be my gain  
I am free, I am free, I am free...*

*Thinking of you during your most difficult time  
God Bless*
