“ April and Katrina ...  
"May tender memories soften your grief,  
May fond recollection bring you relief,  
And may you find comfort and peace in the thought  
Of the joy that knowing your loved one brought...  
For time and space can never divide  
Or keep your loved one from your side.  
When memory paints in colors true,  
the happy hours that belonged to you."

*Dearest Barbara you were always as lovely a person inside as you were on the outside. God knew that you were going to be an Angel to all those you loved and took care of. May your Rest in Heaven be All that you had imagined and more. Let the Loving Angels encamp around while God welcomes you as his Good and Faithful servant. Family know that your mom loved you dearly and would have brought you the moon if she could. We are here for you as journey through this time. It will not be easy but each day and each year gets lighter than the first day. God Bless you as I will continue to pray your strength.*

My condolences to the Sprinkle family. Barbara Jean and I grew up together at Vanderhorst C.M. E. Church. I have not seen her in years, but she was still my sister through Christ. Rest in peace, my friend.
