“ To Renee, Floyd and the family of Mrs. Bernice Friendly . Mrs. Friendly was a true trooper. She advocated for her church, community and the people of Berkeley County (District 8) She spreaded her love and voice for the people for many years. She inspired me in so many ways. I can't never forget that in 1975 she backed her car up to my door and took me off to college. She supported all the young and old people to get jobs and all other endeavors. Renee, Floyd and family be assured that she is well pleased with the care you have given her. God got her in his care now. And God shall wipe away all the tears from their eyes. Be encouraged! May God Bless You!

“ To the Friendly Family, our sincerest condolences to you all! Mother Bernice Friendly was a devoted member of the Wesley African Methodist Episcopal Church for over 60+ years! Her passion and love for God were seen and heard not only in Wesley but wherever she went to worship her God! Mother Friendly's impact was evident in her compassion to help those in Berkeley County and its neighboring counties as a councilwoman, but most importantly as a Child of God being used as an instrument to help and inspire others! Our heartfelt prayers are with you all! She will surely be missed, but her impact will never be erased!

Sincerely,

Reverend Gloria G., Sister Winifred, and Bishop Wayne Snider.

“ To the Friendly family, you have my sincere condolences. Mrs Bernice was a mother to us all as we visited and slept over with Vanessa when we were in high school. She fed us well, and also took us to church. That will forever be etched in my memory. Please know that she lived a life pleasing to God and is now resting in the arms of her Savior Jesus Christ. I love you all.

“ *She served her fellowman well? Bernice Singleton Friendly walked tall during her journey. It was in her nature to SPEAK UP and to SPEAK OUT.*

I can vividly recall many times hearing her speak during the times trouble or issues would arise within the Black communities. She was always ready to meet the needs of her neighbors or anyone who called on her.

She gave voice without any hesitation wherever the need was. She was indeed an activist for injustice.

When the opportunity presented itself to become a member of the Berkeley County Council she ran a successful race .

There was never a doubt in my mind that she would be victorious, you see..... Bernice walked the walk, talked the talk, and did the WORK long before she wore the title of Berkeley County Councilwomen.

Rest Bernice, you will never be forgotten!!

“ To the Friendly Family,

As cousins, we all grew up seeing the love that Edward & Annie Singleton's children had for each other! We never thought that three sisters would leave us within the last four months! Our hearts are broken, but we feel blessed to have had them for so many years!

Our deepest sympathy is extended to the children of Aunt Bernice.
