My Aunt will definitely be missed. I remember how mommy used to say go over there and check on my sister. Robert and Pamela God knows you miss your parents because I sure do miss my mother who transitioned just 4 days before yours, but just knowing without a doubt that their both in heaven rejoicing with their Glorified bodies gives us all the more reason to rejoice here on earth. When I cry because I miss mommy and my aunt Vette I say it's earth's loss, but heavens gain and it will give us the peace that passes understanding that will ease the pain we feel. Love ❤️ you Robert & Pamela ❤️

It's about 9:21 pm on July 1, 2022 and I can't think about mommy and not think about you, I miss and love you both so much. And when I pass your house going to Georgetown I miss stopping by to see if you need anything. But it's a Blessing to know without a doubt you, mommy and Nate are rejoicing daily. You were such loving and generous aunt who loved God. ❤️
