To the entire family, so sorry for your loss, and especially to Florence and Brian. I worked with Mr. Billy all the years he worked at Young Clement Rivers (Clement Rivers), and he always kept you laughing. He often fondly spoke of Florence and Brian and you could feel how precious they were to him. He was a joy to work with, and will be missed. I pray for God's comfort, strength, and blessings to the family in this time of bereavement.

To Florence and family, we send our deepest sympathy. I was also fortunate enough to work with Billie at YCR. We first met when I was seated next to him at the firm's holiday lunch. I was new to the firm and fairly nervous meeting so many people for the first time but Billie regaled me with stories of his days in the jewelry business making deliveries to Litaker's with my husband in their younger days. Billie had a great sense of humor with a bit of mischief, and a heart of gold. He will be dearly missed.
