I am more than deeply saddened to hear of Brandon's passing. My heart truly hurts. My Boo gone. This more than special young man and I connected on much deeper level than patient nurse relationship. He taught me what the meaning of love was really about...he taught me about life. I will always miss him, he is that deeply imbedded into my heart. Brandon, my little buddy..you are whole now...you can stand ,talk, walk, run and dance to the music you loved so much. I cannot say goodbye but to live on in great memories of you to all your loved ones..me too. Please wrap your arms around your mom, brother and sister and all who are grieving your loss. Michelle, Brittany Blake you too are inbedded in my heart..Love you.
