“ To the Gathers Family Carl and I were good friends we both work in the Trucking Industry, he was a good and kind hearted person like family to most people he met. He truly was a soul brother, if he saw you stranded he would do whatever possible get you going, I haven't seen him in about 3 months and last at Auto Zone we talk for a little while and that was my last. I know he's gonna be miss, I'm sorry for your lost, may God comfort your achey hearts during these trying times.

“ To the Gathers family, I am so sorry to hear of Carl's passing. I knew him as Romeo, and worked with him for a few years in the trucking industry. He lived on the same street as my late father, and I would stop by to see him from time to time. I last saw him about 3 or 4 months ago walking from the store down the street, we had a nice conversation as always. I will miss him. Rest in peace Romeo and God bless you all.
