“ I was introduced to Carla in 2020 to help her with her business. She was a kind sweet person. We never met face to face but we had a mutual business bond that developed a friendship. She will definitely be missed. Peace, comfort and strength to her family.

I met Carla a few years back when she hired me at the hospital. Carla and I became friends and then we became family. She was a wonderful and loving person that loves people and always wanted to help others. Her loving spirit will forever live within my heart. I thank God for allowing our paths to cross.
