“ When I first met Carlton around 2006 he was so nice and genuine. He gave me a chance and hired me for the financial counseling department. He was an absolute pleasure to work with. I loved his cooking and the recipe he gave me for his famous sausage dip I still make til this day. He was such a nice kind caring guy. It's been years since I've seen him but the memories are embedded in me. That's what kind of person he was. Your now resting in the arms of Jesus until your awakened on that great day!

“ My Uncle... the many memories that I have of you would take months to write out. A few of my most favorite memories however is when you'd play Miss USA pageant with us in Grandma Mag's living room. You would make us do a talent portion, runway walk, the whole nine yards.. lol! My very first trip to Carowinds was because you took us, and bought us all matching outfits. I will always remember you for your huge heart when I lost my father this year.. in your own illness you made sure to be with my brothers and I everyday, took us to Dad's wake & funeral! My Uncle.. your laugh, I can hear it now.. I'll never forget it. Your Smile.. your kind heart.. your... everything!! Our family chain had been broken, however, the bond shall always remain! Your last words to us was "I Love Yall.." and dear Uncle... we love you too!!!!

Love always Desiree (Desi) or as y'all like to call me.. "Lovey".  
Rest easy.. we shall meet again!❤️🕊️😭

*You will truly be missed. I remember you coming to our department at Novant Health...Financial Counseling. Your smile was so bright. I always admired your professionalism, kind words, and I don't remember you ever wearing the same suit to work twice...lol. It has been a long time since I last saw you, but I will never forget your kind words of motivation to me. Rest easy my friend.*

“ *Thanking God you was able to make it back to Charlotte and have our lunch date with Terry and I. I want never forget that beautiful all white party you had and that wonder food that you prepared for us. No matter how far away your job took you away from us, you always stayed in touch. I will miss that smile and our weekly text message. No more suffering you have now gained your wings. Teresa Love Charlotte NC #NovathHealthPresbyterianMedical Center*

*My heart is so so heavy with the passing of our dear friend. He was kind, smart and so funny. I'll never forget his food or his laugh. He sent Teresa and me a view from his front porch that was absolutely beautiful and said we would sit there and rock until we were tired. He moved to NJ but it was still like he was right here with us. I was so surprised when he came to my retirement party March 2019 and that made it so special. I could go on and on but I will miss him so much. Thanks for your friendship all these years. Rest now until you're awakened and we'll meet again.*
