“ *It will never be a fabulous one of you again. Fabulous will always resonate with your name. I was just looking at a Google map of Mary Street. Remembering growing up there with you Sharon and the rest of the girls. Hartwell Tomlin*

“ *Hi Elinor,
It saddened my heart to know that your sister; Carolyn had passed. I can truly say that for the brief time that I met her, I found her to be very warm, very accepting and showed thankfulness. That is the way I will remember her. As for you and the rest of the family, I know it is difficult to experience the loss of a loved one, but just relish in the thoughts and memories of the good times you shared with her. I know, I am thankful for her crossing my path, even if it was for a brief period of time.*
