“ *Ms Carrie was a trooper! She was always there for mom & dad. When mom died, she and dad called each other almost every day, sometimes just to say hello! I think those calls were just to make sure the other one was still here. Well they are all in glory now Ms Pearl (mom), Mr. Wallace (dad), Ms Mamie, Ms Francis, and now Ms Carrie! After she met Jesus, I can only imagine the celebration that took place up in heaven! All of them in their new Glorified bodies just praising the Lord and relishing all of the family and friends who made it over! Now y'all, if you want to join any reunions in heaven, you have to live right, and surrender totally to God! My condolences to the Greene family and friends!!!
Love yall, William Jr. out*
