“ *You never said I'm leaving,
You never said goodbye. You were gone
before I knew it,
And only God knew why. A million times I
needed you,
A million times I cried. If love alone could have saved you,
You never would have died. In life I loved you dearly,
In death I love you still. In my heart you hold a place,
That no one could ever fill. It broke my heart to lose you,
But you didn't go alone. For most of me went with you,
The day God took you home.*

“ My condolences and prayers to the family and friends. I was one also in disbelief, because I just seen you and talk you 1-2 weeks ago. I will miss your calls and seeing you. I remember my last words to you, that you look good and beautiful that day. You told me baby I don't feel like it. I told her God is able to do all things and to keep praying. You said thank God I don't look like what I'm going through. She was a sweet kind lady I got to know for 2 yrs. She will be missed. Take your rest Mrs. Cecelia.
