“ My memory of Rev. Brown goes back to C.A. Brown High School. He was my tenth grade history teacher. I really liked going to his class, he was one of the teachers who made you want to learn more about a particular subject. He made learning fun, especially with "money day" Friday's.

To the family, my deepest sympathy on your loss. He will be remembered for many things but he will always be Mr. Charles Brown, instructor of history to me.

Sincerely
Fred Taylor
