“ I remember over the summer me and my dad were coming back from a doctors appointment and I wanted a pizza so we stopped on Rivers Avenue at Papa John's. We had about 10 minutes before it would be ready and I had to use the restroom bad. Papa John's didn't have a public restroom so we went to the mattress store on the other end of the strip mall. We got inside and talked to the salesman for a few minutes and my dad very smoothly asked if I could use the restroom. The man then explained that their bathroom was being remodeled. Instead of being honest and leaving me and my dad stayed in there for another 20 minutes testing out beds and talking to this salesman. By the time we left I didn't have to pee that bad anymore. We grabbed the pizza and went home. I love you more than words could ever express Dad. You knew me in a way I didn't even know myself sometimes. I cherish the memories I have with you and I will never forget you.

Charles was such a loving person. I don't believe he ever met a stranger.any times we would see him around town and stop to chat with him. I'll always remember his infectious smile and bubbly personality. He loved his family and he was so proud of all of you. He will be missed.
I'm sorry that we didn't make it to his home-going service. Our thoughts and prayers are with you. We love you.
