“ I remember when I was younger you use to always take me and Grandma to get ice cream. It's just the little stuff you did that made me happy. Even though you were just my grandma's best friend it felt like you were apart of the family. It's really sad to see you go but I guess it's for the best. So take your rest and be in peace because will never have to suffer again.

Mr. Weston I didn't have the pleasure of meeting you personally but I feel I meet you through your son Neil. I know you were a high character person based on what you installed in Neil R.I.P. I look forward to meeting you in Heaven

“ I am sorry to hear of your loss. One of the most difficult things we have to deal with is the death of a loved one. The Bible promise; "God is close to the brokenhearted; He saves those who are crushed in spirit." I hope this message offers comfort in your time of sadness.
