“ Like so many of you, I am shocked and saddened to hear about Connie's passing. I will always be grateful for her spirit that she had here on earth. I wish I could take some of the pain away. Her love, hospitality and her candor meant so much to me. To the entire family, "I love you." I pray you will lean on each other like never before, and lean on God even the more.

Sincerely,

Ms. Denise Campbell Glover

“ I have not seen Connie in a long time, but the memories are still clear. Connie and I had children Sam and Simone that were classmates. Connie , myself and other mothers would get together to plan events for the students at Jane Edwards. Connie could always envision the event and organize the rest of us. Sam and Simone were good friends so we saw each other often. Please accept the Hope family’s condolences and especially thinking of Elliott, Simone and Alexis. Peace and love, Charlotte Hope

“ When I think of Connie, I’m reminded of her beautiful smile, loving and giving spirit. May these be a constant reminder to you all of a life well lived. Connie served as assistant Troop Leader of Girl Scout Troop 871, Edisto Island. She was known as the “Great Creator”, she could make everything so unique and beautiful. Take comfort in knowing that our precious jewel is resting comfortably in the arms of her “Great Creator”.
