“ It deeply sadden me to know you are gone, I remember she made here homemade soup, I did not want it she made me it eat anyway, I remember I was at a dark place in my life and you shared your home with me when you were traveling between West Virginia and South Carolina, You always will have a special place in my heart.

“ *My Heartfelt Condolences to the Epps Family*

*Isaiah 40:8 8The grass withers and the flowers fall, but the word of our God endures forever.”*

*It is with deep sadness to hear of the passing of our beloved Mother Cora Epps, as she was so affectionately called by all of us who knew and loved her.*

*She was the most beautiful spirit, inside and out and her smile gave the warmest greeting to everyone who approached her.*

*She had an uncanny ability much like that of our Father, God...to take material pieces, something that had no shape or form, and create something that was admired and envied by everyone who saw it...evidence that she understood the plan of God for reshaping and fashioning our lives into the Masterpieces He would keep for his own; as He has so graciously done in her life.*

*We will all miss her beautiful smile and caring ways... but we know she has earned her rest and deserves her eternal reward.*

“ *My heart is broken. I can't believe you are gone. I hope you know how much you mean to me and how much I appreciated all you did for me. You were always there, no matter how long it had been since we talked and no matter the hour. You unlocked the door and faced it with me with open arms. You played a vital part in me surviving my adolescence. Mother Epps, I will never forget you and you will forever have a special place in my heart that only you can fill. I love you! Until we meet again...RIH.*

*Sending Up continual prayers for the entire family.*

*Tuncy and Cookie...thank you for sharing your mommie with me. And ty both for the part you have played in my journey along with your mom. I could never express in words what your family means to me. I love you all!*
