“ *Mrs. Washington, Oh what can I say about this wonderful and beautiful lady that I had the pleasure of working with at Burlington Coat Factory. She was more than my store manager and boss, she was my friend. Someone that I would call on the phone and we chatted about any and everything. Always was there to support me if they was ever a situation at the Front End. Truly a Wonderful and Caring Boss. She started calling me “Jules “ and to this day, I always tell my Employer that’s the name I prefer to go by. I’m going to miss you Girlie, but I will forever cherish the time and memories we made.*

“ Mrs. Washington was a wonderful boss at Burlington Coat Factory! She was always willing to help and set the tone for being a professional woman in the retail field. She took pride in her work, and it showed. I don't think I EVER saw her upset and that speaks volumes. The holiday season was always extremely chaotic, and she was always helpful to the cashiers as well as the customers. She made sure everyone was happy when they left her store. I respected and appreciated her to the fullest. May God strengthen the family and know that my heartbreaks with you. Servant of God well done Mrs. Cynthia.
