“ Daisy was a good friend at JCSU. We kept in contact several years after graduation. She was so kind and caring. I remember playing spades in Duke Hall as we got to know each other as freshman. I am saddened to hear of her passing! My sincere condolences to her family.

Please accept my deepest condolences. Daisy and I worked together many years at MUSC. I am always very fond of her because of her sweetness and strong work ethics. She took her job very seriously and was always willing to work with others. I am glad early this year I called her to see how she was doing and heard her voice. I will miss her and her beautiful smiles.
