“ I didn't know her as long as I would've liked to nor as well as I would've liked to, but I adored her all the same. Her smile always brightened my day at work. I loved talking to her about Missy. I love you Missy and I am so sorry for your family's loss.

"Accept what God Allows," and I know you all will. "Hope" will surely be missed in the earthly world, but her memories will live on forever: her sweet, kind, assertive spirit and her love and tenacious passion for her work with "Center for Heirs' Property Preservation."

“ *I'm at a complete loss for words. I did not know Hope had passed. I first met Hope when we both served in the Army. She was a young Captain and I never knew she was from SC until after we both left Fort Hood, Texas. She was always so friendly and helpful. I ran into her again in her second career as a lawyer. She help us with some legal advice on our family land in the Huger section of Berkeley County.*

To Hope's family, I know you already know she was a beautiful person. She was always happy and friendly to everyone. She has a way of lighting up the room when ever she walked in. She touched so many lives in her short time here on earth. Her presence and all the good she has done will last beyond our memories. May God ease the pain for her passing and replace it with all the wonderful memories she gave us.
