“ I met Ms. Fowler when I was in 6th grade at Norman C. Tooled middle school. She was a great substitute teacher. I would have her class for 2nd period. I couldn't wait to get to 2nd period on days that she was covering my regular teacher. We would laugh together through the whole class. We lost contact with each other through the years. I would think of her and wonder how she's doing.💔 Sending hugs to her only daughter. I'm deeply sorry for your loss
