“ My condolences to the Lee family. Demetria was one of my Early Childhood students at Garrett Academy of Technology. Such a sweet spirit with a beautiful smile. So proud to know that she pursued a career in education. May the Lord give the family comfort and peace during this time.

*I am thinking of your family this weekend and praying for your comfort. I think of Ms. Lee each day. We miss her here at school very much. I enjoyed teaching in her class with her each day. Her smile lit up the room, her calm demeanor steadied the class, and we all are feeling lost without her here. Rest in peace Ms. Lee, you were a treasure. Love,
