“ *Dexter Mckoy Jr. aka my papa, was the most loving man I have met. I remember going to church with him in his truck and feeling his love radiate throughout- albeit with little words. Grandmama would arrive before 8 AM while papa let me sleep in and go with him- I always made sure he did NOT forget his world famous banana pudding. Papa was (and still is) a wonderful, sweet, bright man. He passed those characteristics to his son, my daddy. I saw papa in my daddy and I couldn't be more thankful for his presence in my life. He always made sure our family was taken care of (especially his one and only granddaughter). I will miss him physically, but I know papa is watching spiritually more than anything. I love you papa and thank you for all you've done for this family*

I worked with Dexter at Milford Street and then at the Navy base during my tenure at Charleston CPW. He was a wonderful man in the 10 years that I knew him and I am so sorry to hear that he has passed. Mac was an inspiration to all of us, and I know that he is content to be with the Lord now.

“ *Although, Mac aka Papa will be so very missed he lead and bestowed a beautiful life. I have so many fond memories of Mina getting into the recliner w her Papa and never wanting to leave his side. I remember when Mina was little I placed her in time-out and Liz aka Gammy, came and got “her baby” out of time-out and then Mina ran straight to her Papa. It was such a beautiful and comical moment. There was so many memories that will forever be engraved on my heart. Mac was a man of few words but when he spoke you would want to listen. He exemplified what a great Man, Husband, Father and Papa should be and I am eternally grateful. He will be missed...*
