“ Big Bruh, I'm missing you so much right now, but I Know you are at peace! We used to talk all the time about you getting out of “The Bubble”, well Big Bruh, you're out!!! I'll for ever be grateful to you for guiding me these past 13 years. You have shown me what a real Friend looks like. You have shown me how to walk like a real man and be responsible for my actions. Much Love and Respect Dominique!

Rest in peace my brother. I will always cherish our friendship. I send my prayers and condolences to the family. I already missed sitting with Cave and listening to all of those all stories he share with me at the nursing home of the times and places we visited as friends growing up. Going to missed my friend of 40 plus years. Rest my brother rest.
