“ *To our family (especially my sister/aunt Resa,niece/cousin TT), we share in the shock and disbelief in the transitioning of my nephew, our cousin. We did not see each other as often as we wanted to; but we have no doubt that the love was and always will be there. We know that we will never get use to death. It's hard on us. We know that weeping may endure for the night; but joy comes in the morning. Some of our mornings will take longer than others. Keep your hands in God's hands.*

May the Lord be the strength, comfort and peace needed at this time. With our love, your sister, Bea and family: Evie, Junnie, Bubbles and Landa
