“ On behalf of your peers and team at The Budd Group and the administrators and staff at your school, we are so saddened and at the same time so thankful to have met such an amazing human being. We are blessed to have had the opportunity to speak with you, share laughs, spread love and joy, and learn a thing or two from the joy that you shared and encouragement. There’s no other like Mrs. Dorothy and she has impacted a whole community. You’ve earned your wings, sweet angel. Don’t worry, your crew will keep your light shining. We love you!

“ I never expected that when we said cya tomorrow that Thursday; it would be our last. However, I know from the way you would speak, walk, and love; Our Father will welcome your pure heart with open arms. We will miss you down here. Who's gonna hype me up on the job now? Smh. I know God has some amazing plans for you up there; so your real work is only just beginning. While I keep trying to live right; put in a good word for me with the Man upstairs if it's not too much. Then maybe one day we can work together again. I pray for the comfort of your family and friends at this time. ***Marlene E.
