“ To the Steplight family;
I am sad to hear of the passing of Brother Ed. He with my late husband Freddie, opened countless Sunday morning Sunday School assemblies- leading in prayer, scripture reading and all singing " We are one in the Spirit" at Trinity A.M.E. Zion Church in Binghamton.
Brother Steplight taught the adult class for years and was also a strong male voice in our Trinity Singers Choir.
Always friendly with a warm smile and spirit of service- please know Brother Ed was a well respected man in our community and church families.
May you find peace and fond memories of your loved one!
Sincerely, Brenda Cave-James

“ I met Edwin when I was asked to be the keynote speaker at the Broome/Tioga Counties NAACP Freedom Fund event. His smile illuminated the room. Edwin was especially happy, no excited when I spoke of my travels to South Carolina where I purchased a wicker basket made by a man claiming to be a Geechee. It is an old African saying that you do not die until all those living have died and then you are a ghost. Edwin will live on for a long time because he has touched and made a difference in a lot of peoples lives here in Broome County through his Civil Rights work and we shall not forget him. “ On behalf of the Broome-Tioga branch of the NAACP, located in Upstate NY, we extend our condolences and prayers of comfort to the family and friends of our life member and former president Mr. Edwin Steplight. We are grateful to have been the recipient of his work, energies and efforts to confront injustice wherever it existed. I will miss his dedication to education, calendars of famous African Americans and all around thoughtfulness. He will be missed by us all. We our heartfelt sympathies,
Dr. Nicole Sirju-Johnson, President Broome-Tioga NAACP
