“ Edwina was such a wonderful woman. She was always encouraging and upbeat. She believed in God and shared that belief. She was my "big sis." Our condolences to the family. We will miss her dearly. The Ferrette and Shuler families.

“ I have known Edwina for most of my life. We were schoolmates and shared home room class at Burke. She was one of the first to welcome me back to Charleston. My sincere condolences to her family. She will be missed.

“ Edwina was my wonderful colleague in the English department at NCHS .
Our classrooms were right next to each other and for many years we shared ideas and stories about our career and personal life. She was a lovely person and I have fond memories of our teaching days.

I called her Ed and she called me Rae. We were friends, churchsisters, schoolmates, (Voorhees College)and our families were close. She was adamant about what she believed in and made sure I understood her beliefs. She didn't care if I agreed or not. She loved life, and was very sociable. I shall always remember her and the seemingly weird and crazy things we did for laughs. Our memories are golden. Because of our love for the Three in One, " Thou shalt lie down and thy sleep shall be sweet." 🌹
