“ *We are all sisters and brothers in Christ. when I met Elijah he was that brother he enjoyed life being outdoors hanging out with his friends, and his extended family .and the pleasure he got out of going fishing and hunting was his greatest joy, and was always willing to lend a helping hand*
He will deeply be missed rest in peace my brother no more sickness, no worries, only enjoying heaven, except being free from this world. Love, your sister

“ *To my Lijah ,
These words are so hard to type.. Thank you for simply being you. I will cherish each and every moment that I've spent with you. Thank you for always believing and encouraging me each step of the way. I will miss everything about you.. from our weekly phone calls, talking about the football and basketball games to making sure you ate your supper. You were truly one of a kind, and will never be forgotten. You have now become one of my ancestors and I know you will protect and guide me. I LOVE YOU always and forever, until we meet again. 🥰🕊️*

“ *Lijah,*

I'm really going to miss you. I know you're gone, and it hurts, but I'll never forget your love. Family isn't always blood. It's the people in your life who want you in theirs, the ones who accept you for who you are. Your impact will never be forgotten, Lijah. Rest in peace the the ONLY GRANDFATHER I KNOW!!!
