“ Marion and Mattie P. Sanders are deeply saddened to hear of the death of Ms. Ellamae Washington. I remember Ms. Washington from working with her in the Charleston County School System. Secondly, my husband and I remember her for allowing her daughter; Marty (as we so fondly called her) to be a member of the Charleston Westside Tennis Club. Marty helped us win many, many matches and I am sure Ms. Washington was a proud mother each time she won and encouraged her to try just a little harder when she lost. To the family, hold on to God's unchanging hand and He will chart your path from day to day. We are so glad that Ms. Washington passed our way.
