“ I would like to express my deepest sympathy on the passing of your love one. She was a big part in helping me with my oldest granddaughter De'ja (she was a "Hope's Treasure Chest Gem"). She treated her "GEMS" as if they were her own, and I for one know that their lives will forever be enriched by having been in your Mother's care.

*Sincerely Joyce B. Christopher and Family*

“ Hello,  
*I am writing because I knew Eltrude from her regular shopping visits to the Publix in Park West. I frequently rang up her groceries over the years, thus knew her. I am very saddened to hear of your family's loss. Eltrude was always in a happy mood when I waited on her. She was one of my customers that I knew would always have a smile on her face.*

*May you all find peace in the many memories I know you have of her.*

*Sincerely,  
Jill Cragg, Publix cashier*
