“ The family of Sister Wallace I could remember when the family lived on Morrison Street and we would go to visit with our Mom (Maggie W. Brown) then I would go by the nursing home to visit and Ms. Wallace would be in the hall way in her wheelchair and the minute I mention Morrison Street we had a conversation going to the family you all had a loving , kind and giving Mother and a smile one will always remember, may God continue to Bless and Keep you all during this time

“ Emily Wallace was a gem of a woman with encouraging words all the time. Aunt Biddie had such a beautiful heart that was full of love and she showed it to everyone who crossed her path. We will forever love and miss her. Our heart goes out to the family and you are in our prayers. God will see you through.

“ *Ms. Wallace was such a great woman. Everytime my sister and I visited her at the nursing home she always made us smile. Made God keep this family in peace. Rest on Ms. Wallace and I will never forget that beautiful smile*
