“ I'm soo emotional typing this bro. ☐ I'm going to miss your smile, your hugs that were endless. You were the best brother a girl could ever ask for. You were the biggest not the smallest Enrique and I'm so proud to say it. You kept it real and shared your love every time you were around. I'm going to forever miss your laugh and those serious looks you made lol but most importantly I'm going to miss your voice and your random check ups that were always on time ☐ I love you so much. I only ask you watch over everyone you left behind because without you here it will never be the same. You are irreplaceable and I'm so lucky to have had you in my life although it hurts to bad to know otherwise but I trust you will be here in spirit at all times are when I'm down. Sleep in peace Riqueee ☐☐☐ Love Keke 🍷
