“ *Ernestine was a truly beautiful person. She took care of my sister Helen and I for many years as small children while our parents were working. She was devoted to our well-being and gave us many nice memories. We couldn't have asked for anyone more loving and caring to be there with us at such a young age. She will never be forgotten. Her memory will always live on within us as a shining example over how to be towards others most especially children in our lives. I send my deepest condolences to Catharine and the rest of the family.*

“ To the family and my best friend from high school Donna, I give you my heart felt love and I ask that God give the family his divine peace, love and comfort.

Ms. Liza was my 2nd mom, always pleasant and very much would correct me when I was wrong. We always talked about Donna and my relationship from high school - we were inseparable. Ms. Liza will be missed - what a love, what an awesome woman of God. She fulfilled the scriptures in Titus 2:3-5 and Proverbs 31:10-31.
