“ I was heartbroken to find out recently of Mr Ervin's passing. I had an accident on the 2nd of February in Miami Florida next door to a project Mr was in charge of when I worked for him at HH construction. He flashed across my mind that day..(how funny now.) I met Mr Irvin in 2009 while looking for a job and it was a God send day , I was hired and it was the best thing that ever happened to me. He was my one true mentor in the construction trade especially when it came to making stairs. He would always say "Recardo There's a fix for everything dont worry, we got this" and I knew we'd be ok.. He was a gentleman of class and we love and respected him. Men would literally stand at attention on a site when Mr "Ervin" passed through, It was as a General had showed up on the front lines.. Yes for he was a General , a true leader amongst men. It's because of him that I have a great career today at Dade County Public Schools. As a Resident Maintenance Service Mechanic.. It's part of my job to ensure kids have better schools to go to and learn . Thank you Sir.

We last spoke on the phone in December of 2022 and I had made plans to come to SC to visit you in the coming year but... Thank you Mr Ervin Goodwine, you made many lives better off than when you met them. You made mine and I thank you every day for that . God has blessed you. My Sincerest belated condolences to the family just know we loved him dearly.

We lost a Giant whose replacement is no longer possible. May his Inspiringly beautiful soul rest eternally peaceful. "There ya go" his favourite saying, still echoes in my memory. Be at Peace.
