“ Sending my deepest condolences to the Family of Cousin Eva. Eva was always a welcoming and wonderful person. Growing up in the Bronx, Eva was like a mother to me and her home was my second home. She was gentle but firm when she needed to be. I remember spending nights at her house and spending hours eating with her, Vanessa and we'd be up for hours talking. Eva loved to share family stories and she had a wonderful smile. On occasion, I'd pass by her building and see her sitting in the window people watching. And when she saw me, she'd be so happy, and her smile would light up the sky. I never learned sign language to communicate with Eva, but when she made that circle with the "L" over her heart, I knew I was loved. Rest in heavenly peace cousin Eva, you will forever be missed. Love, Michelle

“ I am blessed to know such beautiful human being when she attended our Deaf Wellness and Recreation Center in Brooklyn every week before COVID started. We are eternally grateful that we also had an opportunity to serve her at home. Eva is warm hearted, sweet soul, always loved talking about family and friends. We will miss her!

“ My memory of Cousin Eva. My Father (Uncle Issac) was dedicated to making sure we kept family bonds. We knew my Dad's niece Eva was important to him; Because, he would go to pick her up practically every other Saturday and bring her back to the house to visit. He would get back around lunch time. We would all sit and break bread, and then watch TV shows. I remember her laughter and her face of excitement when us kids did something crazy. We love you Eva you will forever be in our hearts. Our prayers are with you Family. 🙏💕

“ My deepest regards to the family of Ms Eva, I remember working with her as HHA for 6 years. It was tough at first but soon we became so close like a family to me and my children . She made sure my children got Christmas gifts every year especially my youngest child who she adores most. God bless you my dear Ms Eva. Your life was a blessing , your memory a treasure, you are loved beyond words and missed beyond measure. But I will cherish every moment we shared together and the memories I have of you. You're forever in my heart until we meet again .

“ Condolences to the entire family and friends. Eva was a beautiful woman inside and out. I remember as a little girl at church, she would always ask me how was I doing and if she saw something that you doing wrong, she would scold you and she would ended with a hug and a smile. Eva was a good friend to my mom - (late) Mary Burgess. Eva was a devoted member of Mt. Zion Lutheran Church. She was an active choir member and always participated in activities at church. She also attended and participated with the Lutheran Women's Missionary Group, (LWML). Eva, your beautiful smile and personality will be missed. RIP Queen 🙏🏾. Love Priscilla Dale

Ms. Eva was like a mom to me and a mom to many. She knew me, my siblings, my parents from day one. Oh how I love this woman! My heart is heavy with news, but I'm happy she is resting well in GOD. She helped raise, shape, and mold us. I understood every word, every concern, every question, everything she has ever said and I don't know sign language. Now that I'm out of NY, but when I did visit she was one of my stops. My condolences to the family, I love yall! She was a real one, never no judgement on no one, but she will pop us if need be. The day one 865 family know what I mean! QUEEN we will always love you! 🙏❤️🥹 Love Joyce Keel
