“ Dr. Jones, I am so sorry to hear of your loss. I know how very much you loved and cared for your mother. She was really blessed to have a son like you. To be sure, she was very proud. I have witnessed first hand what a man of God you are. It was a pleasure to work for you. I, too, lost my mother this month and I know how empty the heart feels at a time like this. May God engulf you with His Peace. I know He will. Love, ~Theresa

“ Peace Lily was sent by Bishop Eddie Bennett Jr., and Dr. Yvonne Bennett. Dr. Pedro, Dr. Judy Jones and Family, in times like this we are encouraged by the knowledge that this is a separation which will be healed for those in Christ Jesus. Our hearts and our prayers are with you on the loss of your Mother, Evelyn J. Brown.
