*“ What a beautiful legacy, Ms Evelyn left on this earth!. She persevered through her pain, praising God along the way in spite of it all. She had strength and faith. So much to be admired and cherished. She lives on through her love she so freely shared with others. I pray comfort to all who mourn her loss as we will miss her. I picture her now celebrating and rejoicing by raising her hands in worship to her Lord and Savior.
. May God give each of you His peace as you mourn Ms. Evelyn in your own way. .

“ My deepest sympathy in the loss of your dear family member. How comforting to know that when death claims one of our loved ones, others feel our pain and grief. Our loving heavenly father feels our pain as well. He offers comfort to us from his word the Bible. Psalm 34:18 reminds us that " Jehovah is close to the brokenhearted; He saves those who are crushed in spirit." And the beautiful promise for the future at Revelation 21:4 which says: “And he (God) will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away”. May these Bible truths help you to cope with the grief and sadness during this sad time.

“ To the Scott Smalls Family. I will always remember Evelyn she was such a sweet and kind hearted person. If she had not seen us for awhile she would make it her business ro see us the DMV if it was only for five minutes. She would say let me stop and see my girls and after she would make us laugh or.tell a funny story. Evwlyn would leave and say :Love You Girls"..see you the next time. We will miss her and if you need anything please don't hesitate to ask. Keeping you in prayer.

“ To LaToya, Zicora and family, I am so sorry to hear of your loss. Miss Evelyn's sweet face and personality will be missed greatly. Every time I would see her at church it would warm my heart! I will miss giving her hugs. I can still hear her voice calling out praises to God during church a few weeks ago. When I heard her, even though I didn't see her, I recognized her voice and it made me smile. She never ceased to make me feel happy. You have such a sweet family and my heart aches for you. Many prayers for comfort during this difficult time. Much love, Lauren, Jason and Asher Brown
