“ Dear Faith,

Hi cousin I miss you! I think about you everyday. I wonder sometimes how you felt to know that your cousin/brother would do such thing to you. He did y'all wrong. You know your family misses you. We still hurting. The pain can't go away. They'll be better days when our tears go away. FlyHigh 35 you balling in the sky. We still can't believe y'all gone. We are deeply in pain for you. We will be getting justice for y'all no matter what happens. The fact of the matter is that if Love got mad he should've go hit a tree or something not kill his family. It don't make no sense that he took 4 of his family members. If he was that angry he should've killed himself as well. But he gonna do his time. I know y'all forgave him. And I know y'all looking down on him. But Faithiee I know you loved him so much. But you can't trust everybody. But when y'all passed everyone was crying everyday. It hurt so bad to know y'all weren't gonna be there no more to greet people and treat them right. I am still heartbroken to know you gone. But one thing I can say Faith is that I only known you for a few months and you knew we were cousins but you never told anyone. But Faith you were a real good person and tbh with you I really wanted to come out and support you when you played basketball but you know my condition. But Faith I love you cousin. You always had a bright smile on your face and I loved it how you lit up the hallways at school. You wanted to please your family with your grades and you did. You didn't play when it came down to playing basketball and you were aggressive on the court. We wish y'all stay to enjoy life. You lived a full loving life. And to tell you the truth Faith I'm sorry you had to experience death early. You didn't do nothing wrong in life but do what was right. And to tell you the truth that Mortician you wanted to be you would've made it. But don't worry because my dream is to be a mortician before I saw your obituary. So in honor of you, rose, Kenya, Joe my funeral home is going to be named the Manigault funeral home located in Mount Pleasant, Downtown Charleston. Don't worry I will be letting at balloon go at your grave when I come see you. I know you flying high in the sky right now. You probably done met my brothers Adonous and Michal. Don't worry Adonous is

nice. Michal didn't even see life the day he was born. But I love you Faith always remember that. Please get some rest Faith, Kenya, Rose, Joe. I love y'all and miss y'all. #flyhigh35

“ I knew Faith in middle school. She, she was always so happy, I don't think I'd ever seen her without a smile on her face. Faith made alot of friends and other peers around her happy, so I'm sad that such an amazing young woman had to leave this world so soon. I pray that's her eternal rest be forever peaceful and that her family can be strong through their time of grief. I apologise I couldn't pay my respects in person.
