“ My condolences in the loss of your dear loved one. When our loved ones fall asleep in death, the pain of grief seems unbearable. Our loving God Jehovah understands how we feel and he comforts us by means of his word the Bible. Hosea 13:14 says: From the power of the grave I will redeem them. From death I will recover them. The scripture at Psalm 147:3 is also very comforting; He (God) heals the brokenhearted; He binds up their wounds. May these scriptures bring comfort and calmness of heart to you at this time of bereavement.
