“ As long as I can remember, there was Lady & Duke, I remember you from FishBurn St, I was 5, and all of my life you were there with my aunt...but most importantly, you were there with and for my cousins. Many of us may not have had our fathers around all the time, but there was always Uncle Duke. You have left a legacy within your children, grandchildren, and great grandchildren, and thus; I can say your was truly blessed. You lived your life, and did so unapologetically. You also loved Lady, UnApologEticaLLy... We will continue loving her for you.. Until we meet again... Love you uncle Duke.

“ YOUR MEMORIES WILL LAST FOREVER UNCLE!!.....I love and miss you so much. You will be remembered forever in so many ways but the one that sticks out the most to me right now is how you taught us how to read. You would say, " You See The Word, Say The Word," ..... " You See The Word Say The Word".... I think we all got this way of instructions from you....lol.... WOW you are no longer with us and it feels like a hole has been placed in our hearts. How do we move on from here. Nothing but God will help us through this difficult time, uncle. It is so difficult knowing that I won't be able to see you when I come back home to visit. I do feel a sense of peace knowing that you are now with God, granddaddy, grand mama and uncle Herman. Please know that your family misses you so much that words won't be able to capture it's true depth. LOVE YOU FOREVER UNCLE DUKE!!

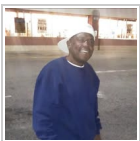

Your niece forever, Tyesh
